EDUCATION

Ocean University of China (Project 985)

Bachelor of Computer Science

Qingdao, China

Graduated July 2022

- GPA: 3.5/4.0
- Average Score: 87/100
- TOEFL-iBT Score: 95 (Obtained December 2023) [Click here to view my Certificate](#)
- Ranking: 10%
- 2021 Mathematical Contest in Modeling (MCM) Finalist Award (Top 1%)

EXPERIENCE & AWARDS

Award for Excellent Graduates

January 2022

Top 10% Graduates in 2022

Outstanding Individuals in Innovative Practices in OUC

December 2021

For the outstanding contribution in the MCM Modeling Contest in 2021

2021 Mathematical Contest in Modeling (MCM) Finalist

Spring 2021

Participant as group member

- Problem B : Fighting Wildfires
- Work: Programming, Visualization, Thesis writing
- Achieved Finalist (Top 1%)

Outstanding Student Award

December 2020

2019 ~ 2020 Academic Year

Second Class Scholarship

October 2020

2019 ~ 2020 Academic Year

Outstanding Student Award

September 2019

2018 ~ 2019 Academic Year

First Class Scholarship

September 2019

2018 ~ 2019 Academic Year

COURSES

Computer Organization Principle (94)

Signals and Systems (92)

Elements of Information Theory (92)

Software Systems Analysis and Design (98)

Database System (90)

PROJECTS

A lightweight book information management system | *Team leader*

January 2022 – April 2022

- The database is designed and achieved based on C, visualized on Qt5.0
- Using the method of Software Engineering to complete the project

TECHNICAL SKILLS

Languages: C, Matlab, Python

Platforms: Anaconda, Matlab, Qt5

Skills: Latex, Lightroom, Photoshop
